

# PUBLIC LEDGER

WEEKLY REPUBLICAN—1897.  
DAILY PUBLIC LEDGER—1897.

MAYSVILLE, KY., MONDAY, JUNE 11, 1906

ONE COPY—ONE CENT.

Miss Gordon's Training School will open Thursday, September 6th.

The Court of Appeals has affirmed the death sentence of Robert Stott, Jr., convicted at Lexington of murder, and he will be hanged on a date to be fixed by the Governor.

Announcements were made yesterday from all the pulpits of the Pastors' Union concerning the visit of Dr. Fanning, the Irish orator, who will speak at the Christian Church Sunday morning at 10:45; at the First M. E. Church, South, at 3 o'clock; and at the Opera-house at 8 o'clock, June 17th. Public is invited to all the services.

Yesterday afternoon about 3 o'clock a twenty minutes rain, with thunder and hail accompaniments, visited this vicinity. Hail as large as beans rattled down in good fashion for five minutes. The growing crops, especially tobacco, are standing in need of another good soaking rain. However, small favors are thankfully received, and the shower was quite acceptable.

Saturday Dr. Alex. Hunter of Washington received a telegram informing him of the serious illness of his daughter, Mrs. Cleves Harrison Howell, at her home in Florida. She was stricken with paralysis Friday. Dr. Hunter left immediately to be at the bedside of his daughter. It has been less than three months since she left her Kentucky home a happy bride, and the sad intelligence of her illness was a great shock to her wide circle of friends here.

Squire W. H. Rice had an experience Saturday morning that he does not care having repeated. He was coming from the Fairground stables in his buggy, leading a spirited horse to town to have it shod. While passing along Forest avenue the spirited animal backed into a wire fence and not liking the contact sprang forward, reared up and planted both feet on the Squire's shoulders. While escaping injury, he is decidedly opposed to such equine familiarity.

Royal Purple tonight at meeting of Piagah Encampment.

A motion has been made by appellant to advance the suit of Commonwealth of Kentucky, by, etc., v. the Adams Express Company, taken up from this county.

Miss Sadie McGinnis, who was refused a diploma by Campbell-Hagerman College at Lexington, because she went to a dance, will sue the college for \$5,000 damages.

Miss Maymo Sutton, the talented daughter of Mr. and Mrs. Nelson Sutton of Cincinnati, formerly of Aberdeen, will wed Mr. Macmore of the Queen City this week. Miss Sutton has been a member of the Faculty of the Campbell School of Stenography of Cincinnati for the past four years. Her many friends in this city and Aberdeen extend congratulations and greetings in advance of the happy event.

Henry Freez, an epileptic, claiming Cincinnati as his home, was found in the orchard of George Lingens yesterday morning in a critical condition. He was brought to the city by our big hearted Sheriff and for a short time was cared for at Police Headquarters and attended by Dr. H. K. Adamson. Sheriff Mackey had him removed to the County Infirmary by order of Judge Newell, where he will be cared for temporarily. He claims to have arrived here three or four days ago, and while in a stupid condition says he was robbed of his money.

## Police Court.

In Judge Whitaker's Court Saturday Frank Gottechalk was fined and costed \$10.50 for drunk and disorderly. Today the Judge will arraign Allie Armstrong, colored, for using bad language; William and Mary Varmill for breach of the peace; James Gates and George Coll, same charge; George Lightfoot, Mary Barnes, Lena Davis and Sis Porter, disorderly conduct.

Miss Sarah Summitt died Thursday last at Millersburg, aged 66.

## Beautiful Beechwood.

Beginning tonight Beautiful Beechwood will present a new vaudeville program consisting of Mr. and Mrs. Carl Carter in their new and original musical act called "Music for Langhorne's Sake." Miss Adelyn, Wooden Shoe Buck and Wing Dancer, and "The Great Onions," Head Balancers, and Equilibrists. This act was the leading feature of the program at the Orplum Theater, San Francisco, at the time of the earthquake in April. They lost all of their paraphernalia and barely escaped with their lives. In all, it is a first class bill and should serve to draw out large crowds all week. The dancers should be pleased with the announcement that on Wednesday and Saturday nights from 9 to 12 p. m. will be devoted to dancing. The performance on these nights beginning at 8 p. m. promptly. On other nights, the performance starts at 8:30 p. m.

Fresh Fish daily at Restaurant Royal.

Mrs. Charles Hafer, who resides in the two-story brick dwelling at the corner of Third and Commerce, was found Saturday evening lying on the upper porch in an unconscious condition. The neighbors who assembled thought it an attempted case of suicide and summoned a physician, who administered to her relief. The woman has been in ill health for some time, and the lack of proper attention was the cause of hysteria and prostration.

Rev. G. W. Bunton's sermon yesterday morning at the Third Street M. E. Church was something in the nature of a prelude to the Children's Day exercises which followed at the evening service. The speaker was in good voice and handled his subject in a most delightful and charming manner. The sermon was instructive and permeated with Biblical teachings that it were well if all parents could take to heart. His inductions and points were well taken and thoroughly established by logical reasoning.

FOLLOWING the successful example of the Ministers of Louisville, the Ministers of Covington are going to ask Governor BECKHAM to put the lid on in Kenton county; and as the Governor wants the influence of the temperance people to add to his political Machine, he will probably do it.

AN autopsy on the body of the Anarchist who killed a guard and then himself and is believed to have thrown the bomb at King ALFONSO disclosed that a disease was making him a fatal degenerate. He belonged to the Anarchist sect known as the Anti-Malthusians, which upheld the theory that the prevention of marriage and births would gradually reduce the population so that the rich would be unable to procure servants. What vagaries do these degenerates possess, to be sure!

DR. ERASTUS E. HOLT of Portland, Me., goes Dr. OSLER a few better on his theory of man's value at certain ages. OSLER wants a fellow chloroformed when he reaches 40; but HOLT's tablerates a boy of 10 years to be worth \$2,601.62, at 15 years he is worth \$3,636.60 and at 25 he is worth \$5,488.03. From that time on his value decreases until at 70 years he is worth only \$17.13, and at 80 years he is a drawback on the community to the extent of \$872.84.

I have been figuring on the learned Doctor's 70 year basis, and conclude that I have just now a market value of about \$23.13 per annum—with no scramble for the bargain.

THE Bryan epidemic has broken out among the Democrats all over the country, and it's more virulent than the measles. Even Uncle HENRI WATTERSON throws up his hands and his hat in his haste to "compromise with dishonor."

OVERSEER VOLIVA, the new Chief Engineer of Zion City, has reversed the policy of St. ELIJAH DOWIE. The latter was too old himself, and didn't want any of the young folks to marry; but VOLIVA, who knows what's what and wants others to learn, has arranged for a monster party, to which every marriageable girl and young man in Zion will be invited, and where formal introductions will be the order, in the hope that friendship will ripen into love and courtship into matrimony.

PETITIONS signed by former Postmasters General JOHN WANAMAKER, CHARLES EMORY SMITH, JAMES A. GARY and THOMAS L. JAMES, Chairman TAGGART of the Democratic National Committee, the Columbia University Faculty, the Barnard College Faculty, the Columbia Grange of New Jersey, and numerous others, urging passage of the bill for the consolidation of third and fourth-class mail matter as recommended by Postmaster General CORTELYOU in his annual report, were submitted to the House by the Postal Progress League.

IN giving his testimony before the Interstate Commerce Commission a few days ago, JOSEPH K. AIKEN said he had been a clerk for some years in the office of the Monongahela Division of the Pennsylvania Railroad. His salary had wobbled from \$30 to \$125 a month, but he had been able to buy \$75,000 worth of stock in several coal companies whose product was shipped over the railroad. People had come along and handed him out chunks of money as gifts, and part of the time he had plunked \$50 a month out of a coal company store. All of which shows that some of the clerks of the big railway systems have been having a roaring good time.

Letter Carrier Thomas M. Luman has been indisposed for the past several days and substitute Frank Haucks has been serving District No. 1.

Mr. and Mrs. Charles P. Taft of Cincinnati were a few days ago visiting the David Sinton homestead at West Union, and the grave of Mrs. Taft's mother in the Manchester Cemetery. Mrs. Taft was the only child of Mr. Sinton, from whom she inherited \$20,000,000.

## Latest News

The bill prohibiting corporations from making money contributions in connection with political campaigns was passed by the Senate.

At the request of the State Department, the cruiser Marblehead has sailed from San Jose, Guatemala, to investigate the movements of the American steamer Empire, which is reported to have landed recruits from San Francisco and arms and ammunition for the use of the revolutionists against President Cabrera.

"Cincinnati Waterless" This is the "headline" in the Cincinnati papers, thanks to "reform" politics. The new Democratic Administration got rid of Mr. Boeh, a thoroughly competent Hydraulic Engineer, and appointed Mr. Herschede, a watchmaker and spectacle mender, as Chief Engineer of the Water-works, with the result that a large part of the city has been without a drop of water since Friday last. There has been great suffering, especially among the sick in hospitals and the children and animals, the well grown folks managing to drink something else—beer, for instance. The good citizens are now, irrespective of party, up in arms over the incompetency of their present public servants.

## Our Colored Citizens.

Yesterday was a big day with the Colored Oddfellows. The customary annual sermon was delivered by Rev. Riley at Scott's Chapel in the afternoon and Maysville Star Lodge No. 1,948 G. U. O. O. F., together with large delegations from Millersburg, Carlisle, Flemingsburg and Ripley, marched in a body to the Church and listened to a well prepared sermon.

The moonlight fete given by the members of Plymouth Baptist Church on the vacant lot at the corner of Third and Commerce streets Saturday night was a real nice affair. The grounds were decorated and lighted with Chinese lanterns, giving the surroundings a pretty effect, and the somewhat picturesque scene was enjoyed by the nearby white folks as well as the participants.

THIRD STREET CHURCH

Children's Day Exercises Were Held There Last Evening

The Third Street Methodist Church was packed to its utmost capacity last night to see the best Children's Day exercises that have been given in the Church for years.

Under the leadership and training of Mrs. Joseph H. Dodson, Miss Wetzel, Miss Lula Walsh and Miss Jessica Rains, the children of the school were at their very best and rendered the program, "Gates of Praise," in a manner that pleased the attentive audience.

Mr. Harry Richardson had the choir in excellent condition and added greatly to the program with solos, duets and anthems.

The platform was tastefully decorated with palms, ferns, daisies and cut flowers. In the center was a pair of gates decorated in green and magnolia blooms, shedding forth their perfume, and over the gates in red letters, "Gates of Praise."

The exercises closed with an address by the Pastor along the line of Christian Education, and a basket collection was taken amounting to several dollars, which will be applied to that work of the Church.

Many thanks are due those who worked so untiringly to make the exercises a success.

Total imports of merchandise and drygoods at the port of New York for the week ending Saturday were valued at \$10,908,355.

Ex-Senator William F. Vilas of Wisconsin, a steadfast Cleveland supporter, and ex-Senator James K. Jones of Arkansas have declared for W. J. Bryan for President.

JUNE ROSES.

June, the month of roses.

White roses for June brides.

Red roses for the bridegrooms of June.

Choice bouquets for the citizens of Maysville.

Marchal Neil roses for Mayor Stallcup and City Officials.

Three big roses for the Maysville Board of Trade and its wide-awake President.

"Ring around the rose-bush!" and plenty of red and white roses for the Boys and Girls of Maysville.

A basket full of garden roses and our compliments to all the good citizens who love the Republic of our Fathers.

A garden full of roses on earth and two gardens full of roses in Heaven for the Editor and Printers of THE MAYSVILLE LEDGER.

A wreath of fragrant roses for the living and dead heroes of the Republic. Living or dead, their brave deeds live in hallowed memories.

A rose of the rarest species for the Christian men and women—i. e., the White Ribboners—who steadfastly believe in Temperance, Purity, Righteousness and Charity.

Softly now! Our Heavenly Father, design to hear us! The Rose of Sharon for all who are sick and in prison. May the Prince of Peace deal kindly with them.

Roses, and honors, and blessings for Maysville's Pastors and Patriots and Philanthropists and all the Progressive people in Maysville and Mason county. We trust that their trites will increase and multiply daily.

A box of choice roses and a new silk flag for all of Uncle Samuel's nephews and nieces who love Peace and are Peace-makers. War is black, baleful and barbarous; we should all be strenuous Peace-lovers. Future conquests should be peaceful conquests.

A crown of roses for the Southern Heroes, the Union men of Dixie's Land who, like General George H. Thomas, General Robert Anderson and General Lovell H. Rousseau, stood for and with our common country from 1861 to 1865. They were fearless and peerless Patriots.

Rosebushes in full bloom, planted in love and watered by our tears, for the graves of our three martyred Presidents—Lincoln, Garfield and McKinley. They were not perhaps greater than other statesmen, but their usefulness had tragic ending. Their widening fame shall brighter grow. Whilst star-worlds shine and roses blow.

DISTRICT CONFERENCE  
Maysville Delegates on the Program for Meeting at Vanceburg

In our notice of last week relative to the District Conference of the M. E. Church, South, to held at Vanceburg on Wednesday, Thursday and Friday of this week, we inadvertently omitted some items from the program.

Miss Bessie Wells will be the delegate from the Sunday-school; Miss Maggie Baner will be the delegate from the Epworth League, and Messrs. W. W. Ball and W. H. Wadsworth delegates from the First M. E. Church, South, of this city.

The Pastor, Rev. Felix K. Struve, is on the program for the sermon on Friday morning at 11 o'clock, his subject being "Duty of the People to the Pastor." He also has a paper on "Why Should the Pastor Be a Live Sunday-school Man?" and another on "What a Pastor and Church Ought to Do for the League."

Mr. Ball will read a paper on the subject, "Why Ought Sunday-school Teachers Meet for Lesson Study?"

Quite a number of visitors from this city will attend the meetings, which promise to be of unusual interest and profit.

**River News**  

Gage marks 12.3 and rising.  
The Tacoma is the up-river packet tonight.  
The Virginia will be down this evening from Pittsburgh.  
The warm weather is increasing the passenger traffic on the boats.  
A rain, amounting almost to a cloudburst at some places, is what did the work at headwaters.

Over 7,000,000 bushels of coal were shipped out of the Pittsburgh harbor last week. The Monongahela River Consolidated Coal and Coke Company sent out the following tows: Exporter, 20 barges; Jim Wood, 22 barges; Iron Age, 28 barges; Valiant, 22 barges; Sam Brown, 22 barges; Sam Clark, 28 barges; James Moren, 17 boats, 3 barges; Boaz, 15 boats, 2 barges; Raymond Hornor, 17 boats, 3 barges; Coal City, 28 barges; Henry Lourey, 17 boats, 3 barges; Tom Dodsforth, 15 boats, 2 barges; Alice Brown, 17 boats, 3 barges. The People's Coal Company sent out about 1,000,000 bushels, with the tows G. W. Thomas, Crescent, Oakland, Charles Jutte and Gleaner. The United Coal Company and the A. R. Budd Coal Company also sent out tows containing together about 750,000 bushels.

**Beautiful Homes**  
There has been an awakening among the citizens of Maysville during the past three years with reference to beautifying and making attractive our dwelling places. Heretofore too little importance has been attached to the matter of making our residences both attractive and comfortable. Take a drive, if you please, or streetcar ride through our city and observe the number of houses which are being painted and otherwise improved and contrast the present with the condition of affairs five years ago, and you will see that there is a marked improvement.  
Are you the owner of one of these beautiful and comfortable homes? Is your wife confronted with the probability of having to move on 30 days notice? Have you provided a habitation which you consider to be as permanent as any earthly dwelling place can be? The recollections of home will do much to influence the future life of your children. Are you doing your full duty to your family when you continue to rent, when it would be much more economical and far more pleasant for you to own the residence you occupy? I have some delightful places in the central part of the city which I can sell you at reasonable prices. I have some splendid property in the Fifth and Sixth Wards where you can have a nice yard and garden, with sunshine and the most healthful and delightful surroundings, which I can sell you at astonishingly low prices. Delay no longer attending to this important matter.  
Yours very truly,

her parents here Sunday.

mer's, visited Mrs. Will Moore last week.  
Elder Elijah Petty of Corinth closed an inter-  
esting meeting at the Valley two weeks ago.

was accompanied home by her son, John.

about a month from a stroke of paralysis.  
While burying Mrs. Swim the undertaker, a

life by getting embroiled in a small cut on  
his left hand.

Wonder what has become of the other cor-  
respondents at this place that we do not hear  
from them often, also the Mt. Carmel, Epworth,  
and Stonelick scribes?  
Mrs. Alma Kirk of Lexington and Miss Myrtle  
Graysou, Bobbie Bays and Rollie Poynter of Ver-

action as to the assessment, ordered farm land  
and personalty in Robertson raised 5%, and town  
lots 10%, and Bracken county raised 10% on  
farm land and personalty, and 5% on town lots.

At Lexington John Taylor, colored, was found  
guilty of the murder of William Moore and given  
life imprisonment in the Penitentiary. Taylor,
